TECHNICAL SKILLS

Programming Languages
- Java
- C/C++
- Python
- JavaScript

Hardware
- Verilog (HDL)
- ARMv7
- X86-64

Software
- Linux OS
- OpenCV
- Git
- Visual Studio
- SOLIDWORKS
- MATLAB
- IntelliJ IDEA

EDUCATION

University of British Columbia **Expected Graduation May, 2023**
Bachelor of Applied Science – Computer Engineering

ENGINEERING STUDENT TEAMS

AgroBot, University of British Columbia **September, 2019 – Present**
Navigation team member
- Contributed to the construction of an autonomous agricultural robot for weed extermination
- Designed and implemented the on-board navigation system for the robot in a team of 5
- Built the navigation algorithm using OpenCV image-processing functionalities

TECHNICAL PROJECTS

Dancing Biped Robot, University of British Columbia **February, 2020**
- Designed and constructed the circuit of a robot from scratch using the ItsyBitsy microcontroller
- Programmed the dancing robot with a full set of functionalities using CircuitPython

Assignment Scheduler, nwHacks 2020 **January, 2020**
- Created a Google Chrome extension that detects and sorts tasks from the webpages that users browse
- Produced an extension using JavaScript and HTML/CSS and Firebase by Google
- Integrated Google Cloud Natural Language API to provide an informative description of tasks

Braille-ify, LHD Build Day **November, 2019**
- Implemented an application that parses websites and translate them into braille
- Developed code to translate from English text to braille displayed on a user interface
- Planned future integration with hardware using Raspberry Pi or Arduino

WORK EXPERIENCE

University of British Columbia, Vancouver, BC **January, 2020 – Present**
Undergrad Teaching Assistant
- Helped students to better understand fundamental coding concepts during office hours and lectures
- Acquired excellent communication skills while interacting with instructors and students

AWARDS

- Engineers and Geoscientists BC Foundation Scholarship **February, 2020**
- Charles and Jane Banks Scholarship **February, 2020**
- Trek Excellence Scholarship **September, 2019**
